PRESS NOTE

Online submission of application for Medical, Dental, Ayurveda, Unani,
Homoeopathy courses – 2024 – Another opportunity.

It was informed to the candidates that the UGCET-2024 Engineering, Architecture etc., application was a common application to the seat allotment of all professional courses; hence candidates have to fill the CET-2024 application and to pay the application fees including Medical, Dental, Ayurveda, Unani, Homoeopathy courses.

In-spite of many opportunities provided to register, candidates and parents are submitting requests to open the portal to register for Medical, Dental, Ayurveda, Unani, Homoeopathy courses in Karnataka.

Hence, after the announcement of UGNEET-2024 results, three days time will be given to candidates to register online to become eligible for admission to Medical, Dental, Ayurveda, Unani, Homoeopathy courses in the state of Karnataka. Candidates are advised to keep visiting KEA website regarding schedule for submission of application online for UG Medical, Dental, Ayurveda, Unani, Homoeopathy courses in the state of Karnataka.

NOTE: To become eligible for admission to Medical / Dental / Ayurveda, Unani and Homeopathy Courses in the State of Karnataka, online registration in KEA is mandatory.
