

ROSARY DAY

On 31/10/2023, Nightingale Hostel celebrated rosary night marking the end of Mother Mary's month of rosary. The Rosary Night Celebration held at Nightingale Hostel wasn't just a religious observance; it was a deeply spiritual experience that brought together students from diverse backgrounds. As candles flickered in the dimly lit hallways, prayers echoed, fostering a sense of unity and peace among attendees. Under the gentle guidance of our hostel wardens, students led the proceedings with reverence and devotion, reminding us of the importance of faith in our academic journey.
