

# WORLD STROKE DAY

World Stroke Day was celebrated on 30<sup>th</sup> October 2023. The theme of this year was “TOGETHER WE ARE #GREATER THAN STROKE”

On this day a health education program was conducted by the 2<sup>nd</sup> year BSc Nursing students (2021 batch).

The program was conducted in the OPD Foyer, St John’s Medical College Hospital.

The program started at 9.30am with a prayer song followed by welcome speech.

The Chief Guest for the program was DR.RAGHUNANDHAN NADIG, Professor, Department of Neurology, St. Johns Medical College Hospital.

The theme of world stroke day 2023 was revealed through a dance, followed by skit which depicted the meaning, types, signs and symptoms and management of stroke, Prevention was depicted through mime and risk factors were depicted through street play. All the students from the batch recite a poem about stroke.

Dr.Raghunandhan addressed the crowd and explained about the prevention, management and stroke ready Hospital. Fr.John Varghese, Associate Director of Hospital and College of Nursing inaugurated the exhibition. The program was concluded with Vote of thanks and refreshments by 10.15 am
